

# ASME CLOSING SOCIAL AND SKI LIFT EQUIPMENT TOUR

At Snowbasin Ski Resort  
June 27<sup>th</sup> at 9:00 AM

## Bring your family and friends to Snowbasin for a Ski Lift Equipment tour and lunch.

Start out the morning with a 2 hour tour of the ski lift equipment given by an engineer. The tour includes:

- 45 minutes at the Needles & John Paul Express Parking Garage with an explanation of how the garage works, what it's for, and close-up examination of key detachable gondola components
- 30 minutes at the Needles Express bottom return station, witnessing first-hand how the gondola detaches from the haul rope and a presentation of the bullwheel driven haul-rope tensioning system
- A ride on the lifts to the top station
- 45 minutes at the Needles Express drive top station and motor room with a presentation of the 3 available lift power systems and drive train. This is an opportunity to see oversized engines, gears, and equipment

For guests not participating in the tour, Snowbasin offers a bounce house, euro bungee, and playground for kids. Adults can choose gondola rides, hiking, disc golf, and mountain biking. Guests can pre-purchase lift tickets through ASME for \$10/person. Lift tickets are valid for the entire day.

After the tour, lunch will be served in the Huntington Room at Noon. Lunch includes a ham or turkey wrap, a bag of chips, a piece of fruit, a cookie, and a bottle of water. Cost to guests and ASME members is \$10/person and is being subsidized by ASME. Payment will be collected on the day of the event.

**We will be meeting at the Huntington Room in Earl's Lodge At 9:00 AM.  
Coffee, Tea, and Hot Chocolate will be served.**

**The first tour will start at 9:20 AM, please be on time.**
