

UTAH ENGINEERS COUNCIL

3222 West Bigarade Lane • Taylorsville, Utah 84118

Telephone: (801) 967-3434 • www.utahengineerscouncil.org

Dear Engineers and Friends of Engineers,

January 7, 2013

WE GRACIOUSLY NEED YOUR HELP.

Each year the Utah Engineers Council (UEC) has several initiatives to serve the Utah engineering community. Any donation amount you send will support this cause. For more on the UEC please visit our website: www.utahengineerscouncil.org

Are initiatives are:

1. Hold an annual awards banquet that honors Utah engineers, educators and engineering students.
 - Outstanding engineer of the year award candidates from each of the professional societies of the UEC
 - Outstanding Engineer of the Year award
 - Outstanding fresh face of engineering award
 - Engineering educator of the year award
 - MESA teacher of the year award
 - Scholarships to outstanding students of each of the accredited engineering schools in Utah
2. Produce the annual *Journal*, a magazine that showcases engineering efforts in the state of Utah.
3. Hold a monthly forum to enhance the science of Engineering through collaborative synergy within the UEC societies

Since the UEC is a non-profit 501(C)(3) organization, we solicit donations from the public to support this effort in the following ways:

- Become a (Diamond, Platinum, Gold, Silver) sponsor to the UEC banquet
- Donate to the UEC Scholarship fund
- Donate to sponsor a student to the UEC awards banquet
- Donate to the UEC general fund
- Purchase tickets to the UEC banquet
- Purchase advertising space in the UEC *Journal*

Please see the attached brochure and ordering form for your donations. Thank you for your donations.

John E Richardson PE

A handwritten signature in black ink that reads "John E. Richardson PE". The signature is written in a cursive style.
