

The Great Basin Post NEWSLETTER

The Society of American Military Engineers
September 2012

SAME MISSION

“To promote and facilitate engineering support for national security by developing and enhancing relationships and competencies among uniformed services, public and private sector engineers, and related professionals.”

UPCOMING EVENTS:

SEPTEMBER MONTHLY MEETING:

20 Sep 2012, The Landing (formerly Club Hill), Lunch at 1100, Meeting at 1130

Base Access: If you would like to attend the meeting but do not have a current base pass, please provide Mark Holt (e-mail mark.holt@hill.af.mil) **your name** and **Driver License number with state** by **10:00 am on Monday, Sep 17 2012.** Guest information needs to be submitted each month, guest access procedures have changed, so allow more time to enter the base.

Sustaining Member Presentation: TBD

Program: Systems Engineering

Allan Dalpiaz, P.E., F.SAME, will provide a presentation on the use of systems engineering in system development and sustainment processes. Systems Engineering is an interdisciplinary approach encompassing an entire technical effort in order to integrate people, products, and processes. It provides an integrating mechanism across technical efforts related to development, manufacturing, verification, deployment, operations, support, disposal and user training for systems throughout their life cycle.

OCTOBER MONTHLY MEETING:

18 October 2012

Sustaining Member Presentation: TBD

Program: TBD

A big thank you to our Sustaining Member sponsors, other prize sponsors, and giveaway providers whose logos are listed to the right. It is the efforts of our Sustaining Members that truly make the Post scholarship fund-raising a success. To our Sustaining Members: please remember to include the Post Scholarship fund activities as you start your 2013 budget planning.

Special thanks to Mike Petersen for cooking lunch. Thanks to Joe Martone, Everett Reynolds, Pam Shane, and Steven Simmons for helping with the lunch setup, serving, and cleanup.

PUBLICATION OPPORTUNITY

SAME has an opportunity to submit articles for publication in the Utah Engineers Council (UEC) Journal. The journal covers a broad audience and articles submitted through SAME can include anything of interest to engineers related to the military or national security. If you would like SAME to submit an article for publication, please submit an abstract by 31 October. The deadline for articles is 15 November to SAME. Submit abstracts to Mark Holt (mark.holt@hill.af.mil).
